Employment Experience

Flint Strong 2022- Covid Administrator/Compliance; Duties performed: Created schedules using Excel and Google sheets to coordinate cast and crew covid testing days as well as calling, following up, and sending and answering emails. Other duties performed such as taking leadership in my team, checking in background actors up to 200/day to set, making sure they are in compliance while working on set. (wearing masks, 6 Ft apart).

Mac 2022- sales associate; Duties performed: working with clients to find the shade and match them as well as assisting them in questions they have makeup. On numerous occasions, opening and closing the store most frequently on my own. Application of makeup to clients was also included in my duties.

Drybar 2022- receptionist; duties performed- opening and closing store, cleaning and chores to be done before leaving. Checking in and out for appointments, able to sell memberships and products; washing clients hair while they wait for their stylist to finish up.

Sixflags Frightfest 2021- applied prosthetics to scare actors. This included prepping foam Prosthetics for application. After applying I then would blend prosthetics with the airbrush into the skin to create a seamless application; Worked with actors applying makeup with airbrush for their designated haunted mazes.
